How these experts are **Changing The Game** when it comes to business success!

“As an acclaimed sculptor I want to change the world with my sculpture, 'A Sporting Chance for Peace.' It is the flagship for a Global Peace Initiative promoting personal and social peace. On September 21st 2016, 'International Day of Peace' individuals worldwide will unite to unveil their print of the sculpture to complete the largest, simultaneous, print-unveiling ceremony in history.”

“If you always do what you've always done, you'll always get what you've always gotten. My game-changing technique is embracing change. If I'm not happy with something in my business or life, I try a new approach. After all, success comes from the choices we make along the way. And, if you find something that works, do it over and over.”

**Lindsay Dicks** | CEO, CelebritySites®

“At Retirement Advisory Group we help provide retirees and pre-retirees with alternative income strategies to combat today's prolonged, low interest rate environment. We maintain a focus on principal preservation, growth opportunities and fee reduction and provide independent advice personalized for each client. Those qualities have made Retirement Advisory Group a GameChanger in today's economy for over 29 years.”

**Thomas F. Helbig, CSA** | Best-Selling Author®, President and CEO of Retirement Advisory Group | [www.RetirementKey.com](http://www.RetirementKey.com)

“In order to be a GameChanger™, you have to dispel the limiting beliefs that keep you from reaching your full potential. By awakening my inner consciousness, I unlocked the power to live a happier, healthier life for my clients and myself. By believing I have the capacity to change those limiting beliefs, I enable clients to achieve their dreams.”

[www.donncorporation.com](http://www.donncorporation.com)

“While helping our client's find less risk without losing on future upside potentials, we realized most people didn't understand that taxes are their biggest expense. Or, if they did, they didn't know what other options were available. The savings we find through proper tax strategies will completely change your retirement game! Remember, you're winning if you're not losing...to the IRS.”

**Gary Marriage, Jr.** | CEO, Nature Coast Financial & Best-Selling Author®  
[www.NatureCoastFinancial.com](http://www.NatureCoastFinancial.com)

“My brokers and I are dedicated to one thing – our clients. We have a deep knowledge and understanding of real estate and are continually learning, but that doesn't make us GameChangers. Instead, it's the dedication and focus we give to each client, which comes from our hearts, that makes the difference. We strive to be a positive force in their lives.”

**John-Mark Mitchell, CRS, GRI** | CEO/Founder, Mitchell Prime Properties & Best-Selling Author® | [www.gomitch.com](http://www.gomitch.com)

“In our increasingly commoditized world, the one differentiator between you and your competition is YOU. I'm changing the game by telling my story, and those of my clients, to as many people as possible. If you position yourself as the absolute expert in your field, you'll watch everyone else become irrelevant and start earning what you deserve too.”
