Russell Jalbert, CFP • President, The Jalbert Financial Group
www.jalbertfinancial.com • 877.807.SAFE (7233)

Russ Jalbert has been trendsetting across the financial world since 1970 when he started one of America's first financial planning firms. From there he went on to found the National Financial Counseling Board to help set and bring professional ethics to an emerging industry. Thereafter, Russ was retained by some of the country's largest banks (Citigroup, Marine Midland Bank, Michigan National Bank, and Trust Company of Georgia) to bring financial advice to their key depositors. It was 2001, after becoming the #1 registered representative in the U.S. for his Broker Dealer, Capital Analysts INC., that he became aware that traditional planning may not work in the new world- safety of the consumers money became his focus- and it is today. It is all about safeguarding the retirement assets. As such, he has written his new book, “Rescue Your Retirement, How to Overcome Wall Street's Deceptions and Failed Financial Planning Strategies.”

Thomas Helbig CSA • Retirement Advisory Group
www.retirementkey.com • 314-993-9494

Thomas Helbig has established himself in the financial planning industry as a frontrunner in recognizing and safeguarding against investment risk. Through his simple, down-to-earth way of explaining investment concepts, he has educated audiences that traditionally find investing complex and difficult to understand. By utilizing the industry's latest investment strategies Thomas has positioned his firm, Retirement Advisory Group, as a trailblazer in asset preservation, retirement income planning and legacy planning. He is also an author of the recently published book *The Boomers Guide To A Worry-Free Retirement*.
